

The time is now to protect what we
love from the climate crisis.

#SHOWTHELOVE

Dear **MP**

I want to see urgent action to protect what I love from the climate crisis. I've added my voice to The Climate Coalition's Declaration because I care about...

Before the UK hosts the world at the UN Climate Summit in November, we need to show global leadership by ensuring our recovery gets us on track to a cleaner, greener world that works for everyone. **Will you #ShowTheLove by championing climate action this year?**

Please show your support by:

- Signing The Climate Coalition's Declaration for a Healthy, Green And Fair Tomorrow (please email campaigns@theclimatcoalition.org to sign)
- Sharing a photo of this green heart on Twitter pledging your support to protect all that we could lose to the climate crisis - don't forget to tag @thecoalition and use #ShowTheLove

Thank you,
