## Hebrews 11:1-3,8-16

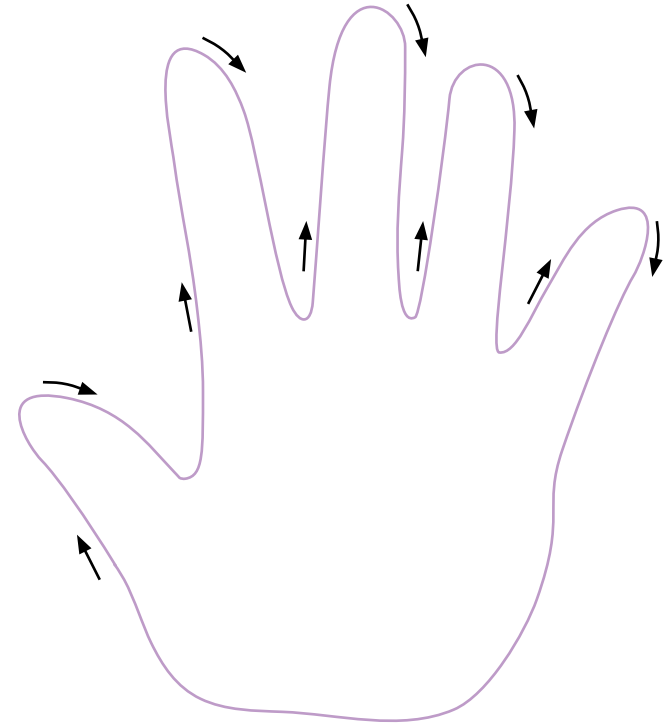

We must keep trusting and believing in God, just like Abraham and others, who had to keep going in faith, did.

What helps to keep going in faith? In the image above, draw things you look forward to on the right. Draw reminders of what God has done in the past to the left.

Write some of your 'ups' and 'downs' in life on the sides of the fingers, and thank God for being with you through it all.

Complete the puzzle in order to remember someone who kept going in faith.
