Colossians 3:1-11

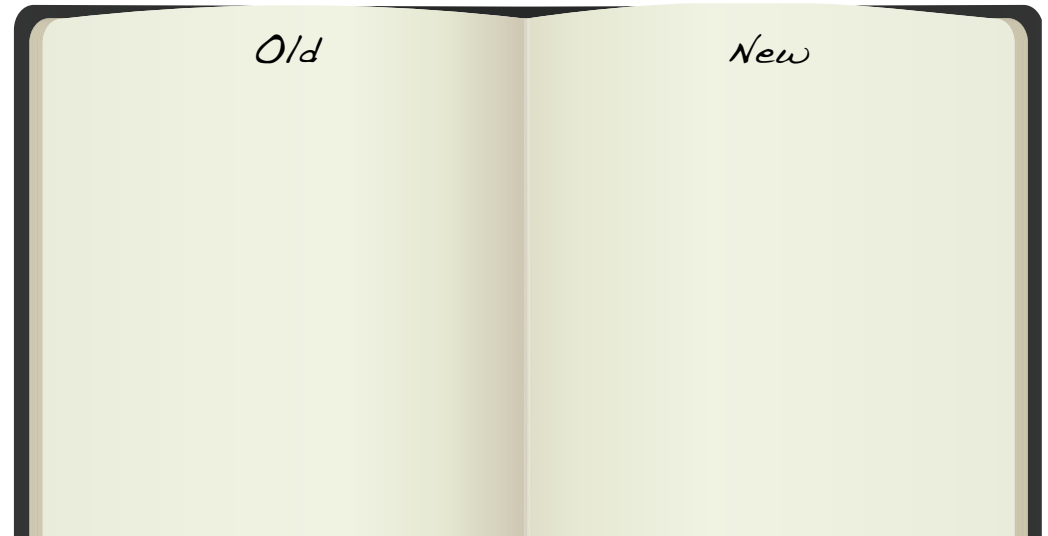

Paul's letter says that Jesus' death and resurrection has given such a new focus, it is like we are living a new life with our minds set on God.

Write things on the list marked 'Old' that you want to change – either in your life or in the world.
Now add to the 'New' list things that might happen if our focus is on Jesus.

Keep your focus on Jesus.

What do you see?

Choose something to draw in box 1. Change your focus and draw it again in box 2.
